

REMARKS

The Examiner rejected claims 1-42 on the ground of non-statutory obviousness-type double patenting as being unpatentable over claims 1-63 of the commonly owned patent to Tsai (U.S. Pat. No. 7,346,314) in view of Zhou (U.S. Pat. No. 7,054,656). The Examiner also provisionally rejected claims 1-42 on the ground of non-statutory obviousness-type double patenting as being unpatentable over claims 1-48 of co-pending U.S. App. Ser. No. 10/719,811 (filed November 21, 2003), and over claims 1-39 of co-pending U.S. App. Ser. No. 10/870,275 (filed June 17, 2004). However, the Examiner indicated that all pending claims 1-42 were otherwise allowable. Therefore, without admitting the propriety of the rejections, Applicants submit the requisite Terminal Disclaimers to remove the rejections and gain allowance.

All claims are now in condition for allowance. Applicants therefore request that the Examiner issue a Notice of Allowance for all pending claims.

Respectfully submitted,

COATS & BENNETT, P.L.L.C.
